The principal objective of Throughlife’s Continuing Professional Development (CPD) policy (“CPD policy”) is to outline a framework for the continuing professional development of its ‘relevant providers’. The Throughlife CPD policy outlines the policy aim, requirements for compliance, types of CPD activities and monitoring and administration of the CPD program.

## Throughlife CPD Policy Aim.

Throughlife believes that CPD is an important foundation of lifelong learning and helps financial services professionals to maintain their competence in this field. Having this CPD policy aims to enable 'relevant providers' to maintain, improve and broaden their professional knowledge, expertise and competence to meet their obligations to provide ethical, effective and competent service to Throughlife and their clients.

## Throughlife CPD Responsibilities

Throughlife will support its 'relevant providers' in their undertaking of CPD to maintain competence at a level appropriate for the professional services (including financial product advice) that the 'relevant providers' provides.

Throughlife will ensure it is satisfied that their 'relevant providers' knowledge and skills are up to date.

Throughlife will set the requirements for those returning after a 2 year or more career break to ensure they will upskill with the latest regulatory and licensee requirements as soon as practicable once they return.

In authorising 'relevant providers' who have recently completed their Professional Year, given the extent of training undertaken during the Professional Year, Throughlife will pro-rata the CPD hours for the period between completion of the Professional Year and the end of the licensees CPD year.

## Throughlife FASEA CPD Requirements (40 hours per year)

### FASEA CPD categories

These competencies align with the Throughlife outcomes expected of qualifying practitioners and the work and training standard. These requirements will provide the full range of developing an expert practice in financial advice. These will include as high-level competencies such as demonstrating capabilities in critical thinking, critical self-reflection and ensuring professional behaviours, vital skills are required to be developed. The table below addresses these skills by reference to CPD categories with minimum hours per year for each category. The balance up to 40 hours must consist of qualifying CPD from these categories or other selected by the Adviser or Throughlife.

CPD Category		Minimum CPD Hours Per year
1	Technical Competence	5
2	Client Care and Practice	5

3	Regulatory Compliance and Consumer Protection	5
4	Professionalism and Ethics	9

Throughlife agrees that the following types of learning are options that may be considered by a 'relevant provider' in terms of the FASEA CPD that the 'relevant provider' undertakes:

1. Formal relevant education (provided by an Education Provider) may contribute to the FASEA CPD requirement including degree equivalent study to meet legislative requirements (such as bridging courses and approved degree studies) and any formal study towards other qualifications and designations relevant to the practice of the 'Relevant Provider', to a maximum of 30 CPD hours per year.
2. Non-formal education including:
  - a. Education for the purposes of achieving a relevant professional designation (e.g. CFP, FChFP, etc)
  - b. Education for the purposes of meeting requirements in specific financial advice provisions (e.g. Stockbroking, SMSF, Aged Care, etc.)
  - c. Education for the purposes of accreditation in specific forms of financial products relevant to licensing arrangements (e.g. Credit)
3. Other CPD as approved by the Licensee:
  - a. Sessions/Workshops such as conferences, PD days, update sessions, which are relevant to financial advice – approved CPD

### Throughlife Approach to CPD plans created for Relevant Providers.

Each 'relevant provider' within Throughlife will be issued with a CPD plan that will set out the requirements for their CPD in the coming year. It will be incumbent on each 'relevant provider' to complete their intentions for their CPD and ensure that their plan has been signed off by a director of Throughlife. It is the responsibility of each 'relevant provider' to accurately log the types, category and duration of CPD activities undertaken. The logs must be in a format that can be readily transferred to a master log for Throughlife to provide for auditing.

### Appropriate CPD Activities

Throughlife will monitor and vet all CPD activities and providers to ensure that they are provided by persons and/or entities that are appropriate (with accredited standing, expertise and academic

qualifications and practical expertise as appropriate). Any activities found to be non-compliant will be removed from the 'relevant providers' CPD logs
